

TENNESSEE FIREMEN'S ASSOCIATION

Barry Brady Scholarship Application Form

TFA is proud to offer one fully paid scholarship to a first-time attendee to the 93rd Annual Tennessee Firemen's Association Conference at the Hampton Inn in South Pittsburg, Tennessee on September 10-13, 2026.

What is included in the scholarship:

- Full conference registration for the TFA Annual Conference.
- Hotel room for three nights.
- Training course attendance, conference activities, picnic activities/events, annual banquet, conference seminar bag, hospitality room, and conference t-shirt.
- One-year individual membership to TFA

Honoring a Legacy. Supporting the Future.

Captain Barry Brady was a dedicated firefighter from Sparta, Tennessee, for 32 years, a past president and longtime member of the Tennessee Firemen's Association, and a true champion of the fire service. Barry lost his battle with cancer which was linked to his service as a firefighter. The Barry Brady Act, named in his honor, ensures that Tennessee first responders diagnosed with certain cancers are presumed to have developed them in the line of duty, making them eligible for workers' compensation benefits. His unwavering commitment to public safety, brotherhood, and the Tennessee Fallen Firefighter Memorial continues to inspire us all.

To honor Barry's legacy, the Tennessee Firemen's Association has established the Barry Brady Memorial Scholarship Fund. This fund will sponsor new TFA members by covering the registration cost to attend the TFA Annual Conference. Whether you're a young firefighter just starting your journey or someone newly involved in the association, this scholarship is for you.
